CLIMBING

TYYNY® A FRENCH BRAND TO EQUIP AND SECURE YOUR SPORTS AND LEISURE AREAS.

CREATED IN 2018, TYYNY® IS A BRAND WITHIN THE 'CONTEXT' GROUP BASED IN LE CHAMBON FEUGEROLLES IN THE LOIRE WHICH WAS FOUNDED IN 2000.

TYYNY® benefits from the know-how and experience of 'Context' in the manufacturing of technical foam and fabric products.

TYYNY® offers a complete range of protection and equipment to professionals in the sports, mountain and leisure industries.

Whole TYYNY's products are designed and made in France in the production area CONTEXT, specialized in welding and industrial stitching.

OUR VALUES

TYYNY® THE STRENGTH OF NATURE

CREATYVYTY

— Showing the way with all our force instead of following the tracks.

REALYYTY

— We offer only the best products at The best price. No more. No less.

REACTYVYTY

— We offer you the very best in service and in record time. The sky is the limit.

HUMYLYTY

— Putting your satisfaction at the centre of our attention.

CLIMBING MATS
CLIMBING IN COMPLETE SAFETY.

With over 10 years of experience in the climbing climbing sector, TYYNY Climbing has established itself as the benchmark brand in In the development and safety of climbing rooms! After several years of collaboration, the companies TRYO SPORT and CONTEXT' have combined their know-how around the same brand and the same slogan: **ONLY QUALITY WILL REMAIN.**

TYYNY is the assurance of a complete service to your expectations and a range of products developed specifically for the climbing sector according to your constraints and at optimised conditions.

OUR AIM?
To bring together the standards of the profession at the best quality/price ratio and within and within controlled deadlines.

OUR SATISFACTION?
To provide, according to your needs, the most the most appropriate solutions and together, guarantee the success of your projects.

[TOPO]
TYYNY CLIMBING

Goals continuously stretch
